

**Question on Notice**

**No. 1040**

**Asked on 16 September 2025**

**MR J SULLIVAN** ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON B MICKELBERG)—

**QUESTION:**

Will the Minister advise what plans, if any, the government has committed to, to improve the notorious intersection of Gympie Road and Hamilton Road, Chermside?

**ANSWER:**

I thank the Member for the question.

My department will undertake safety improvement works at the Gympie Road and Hamilton Road intersection. The works will improve the condition of the asphalt pavement, enhance safety and provide a smoother driving experience for motorists.

I can also advise that the Crisafulli Government has commenced planning for the Gympie Road corridor, which includes the intersection of Gympie Road and Hamilton Road at Chermside as part of the Gympie Road Planning Program. This planning will consider improvements to congestion hot spots, including enhancements to road, public transport and active transport.

There is clear merit in continuing to investigate options to relieve congestion on Gympie Road. This planning will help prepare for the Brisbane 2032 Olympic and Paralympic Games, as committed in the *2032 Delivery Plan*.
