MR B MELLISH ASKED MINISTER FOR POLICE AND EMERGENCY SERVICES (HON D PURDIE)—

QUESTION:

Will the Minister (a) advise if the Queensland Police Service Safe Driving Policy is being, or has been, formally reviewed since 1 November 2024 and (b) if so, commit to releasing the full review and its findings?

ANSWER:

I am advised by the Queensland Police Service (QPS) that between 2022 and 2025, an established Safe Driving Working Group undertook an extensive review of the QPS Safe Driving Policy.

I am informed a public version of service manuals, including the Operational Procedures Manual (OPM), are published on the Queensland Police Service public website, located at: <https://www.police.qld.gov.au/sites/default/files/2025-10/Operational-Procedures-Manual.pdf> .
