MR S MILES ASKED MINISTER FOR HEALTH AND AMBULANCE SERVICES (HON T NICHOLLS)—

QUESTION

Will the Minister advise which Satellite Health Centres have been identified to be suitable for MRI and/or CT machines?

Detailed service and infrastructure planning is underway to determine which regional hospitals and Satellite Health Centres can feasibly support installation of a CT scanner and/or MRI machine. This detailed planning will take several months to complete and will inform the decision about locations for installation of the additional CT and MRI machines.
