HON G GRACE asked the Deputy Premier, Minister for State Development, Infrastructure and Planning and Minister for Industrial Relations (**HON J BLEIJIE**) –

QUESTION:

Will the Deputy Premier provide the estimated month and year for the launch of the Growth Monitoring Dashboard and specify (a) which datasets will be included at launch, (b) which are planned for staged release and (c) the timeframes for each?

ANSWER:

The Growth Monitoring Dashboard is currently under development, including review by local governments. As such, answers to the questions asked are unable to be provided at this time, because we value consultation and have set about resetting the planning partnership with local governments in a positive way.
