QUESTION:

With reference to the government committing \$118m funding for on-ground land, water and biodiversity programs—

Will the Minister advise (a) is this additional to previous allocations, (b) will this funding be annually made available to local Landcare organisations and groups and (c) if so, how will they access?

The delivery of the funding for the expansion of Natural Resource Management programs in Queensland falls under the Department of Natural Resources and Mines, Manufacturing, and Regional and Rural Development. As such, I recommend that the Member direct the question to the relevant Minister.
