MR L MCCALLUM ASKED TREASURER, MINISTER FOR ENERGY AND MINISTER FOR HOME OWNERSHIP (HON D JANETZKI)—

QUESTION:

Will the Treasurer guarantee that under the government's energy roadmap a majority of Queensland's energy will continue to be provided by publicly owned generators?

ANSWER:

The government is strengthening public ownership with a new and greater target of 100 per cent public ownership of the State's existing operational generation portfolio. This commitment is made clear on page 47 of the Energy Roadmap.
