HON S FENTIMAN ASKED MINISTER FOR EDUCATION AND THE ARTS (HON J LANGBROEK)

With reference to the Department of Education's Security Upgrade Program—

Will the Minister advise when Waterford State School is scheduled to receive an upgraded perimeter fence, noting the school's current low fence, the school's direct interface with the Logan River, and the safety risks that have been identified by parents, particularly for students with additional needs who may be at risk of absconding?
