MR J MARTIN ASKED MINISTER FOR EDUCATION AND THE ARTS (HON J LANGBROEK)

With reference to Stretton State College having over 3500 students and now facing significant traffic and congestion challenges due to its growth and the physical separation of junior and senior campuses by Gowan Road—

Will the Minister advise when the department will investigate urgent safety upgrades including (a) construction of a pedestrian overpass across Gowan Road, as implemented at schools such as Brisbane State High and Mabel Park State High, (b) development of a ring road around the junior campus to enhance pick-up and drop-off capacity and (c) upgrades to car parking facilities at both campuses to increase capacity?
