HON M RYAN ASKED **MINISTER FOR TRANSPORT AND MAIN ROADS**
(**HON B MICKELBERG**)—

QUESTION:

With reference to the ‘Morayfield transport and mobility study, planning’ (Investment ID 3236161) in the Queensland Transport and Roads Investment Program (QTRIP)—

Will the Minister advise (a) when the study will commence, (b) the study terms of reference, (c) the study scope and parameters, (d) the method for collecting data for the study and (e) how community members will be able to contribute to the study?

ANSWER:

I thank the Member for the question.

I understand that the Morayfield Transport and Mobility Study (the study) was included in the *Queensland Transport and Roads Investment Program (QTRIP) 2024–25 to 2027–28* as part of the state Labor Government’s last budget at the direction of the then Minister for Transport and Main Roads and Minister for Digital Services, the Honourable Bart Mellish MP.

Given that this direction and the subsequent inclusion within QTRIP occurred without the appropriate planning and preparation, and subsequently no action was taken under the former Labor Government to progress the study further to the funding announcement, a commencement date, terms of reference and scope for the study have not been set.
