MR J MARTIN ASKED MINISTER FOR EDUCATION AND THE ARTS (HON J LANGBROEK)

With reference to Stretton State College sporting program continuing to expand and achieve great success, including through their Football and Rugby League academies producing elite athletes in the lead-up to Brisbane 2032—

Will the Minister advise when the department will provide additional resourcing to the College, including a full resurfacing of their sports fields, access to drinking water, male and female changerooms, protective netting and a secure perimeter fence so that the College can meet the minimum hosting requirements for elite competitions?
