With reference to a recent meeting between the Office of the Minister for Sport and Racing and Minister for the Olympic and Paralympic Games and Table Tennis Queensland, at which an overview of current table tennis facilities in Queensland and nationally were discussed, as well as opportunities in the high-performance and training competition space as we move towards Brisbane 2032—

Will the Minister advise (a) what were the outcomes of the meeting and (b) what are the government's plans for additional table tennis facilities to support both local athletes as well as international Olympians undertaking pre-training in Queensland prior to 2032?
