Asked on Wednesday, 12 March 2025

MR T SMITH asked the Minister for Primary Industries (HON A PERRETT)—

QUESTION:

Will the Minister advise the total cost to rename the Department of Agriculture and Fisheries to the Department of Primary Industries?

ANSWER:

The Department of Primary Industries has not incurred any additional expenses related to the departmental name change. No payments have been made to external suppliers specifically for this purpose.

The transition has been managed with minimal cost and impact, with any associated expenses absorbed within existing departmental budgets.

Implementation of the name change has required staff time to update a range of internal systems and services. This work has been carried out using existing departmental resources, without the need for additional funding.
