HON M DE BRENNI ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON B MICKELBERG)—

QUESTION:

Will the Minister advise (a) if the Minister has been briefed on the Daisy Hill to Logan Motorway M1 expansion and Busway extension and (b) if so, what options did this briefing present?

ANSWER:

I thank the Member for the question.

The Crisafulli Government is committed to delivering a state-controlled road network that is efficient, productive, reliable, and safe. I note that, previously, \$500 million had been committed by the Federal Government towards this upgrade.

With regard to part (a) of the Member's question, I can advise that I have been in continuous discussion with my department regarding the Queensland Transport and Roads Investment Program, which includes the named project.

I can advise the Member that the ALP Federal Government, through its Infrastructure Australia evaluation arm, resolved not to recommend this project in their most recent Infrastructure Priority List.

The Crisafulli Government is of course open to collaborating with the Federal Government in delivering key upgrades, should they be deemed a priority, and will continue to engage the Federal Government regarding the M1 and other important parts of the Queensland transport network.
