HON C DICK ASKED MINISTER FOR HEALTH AND AMBULANCE SERVICES (**HON T NICHOLLS**)—

QUESTION

With reference to the \$18.536b allocated over five years to Queensland Health in the Budget for Queensland Hospital Rescue Plan—

Will the Minister advise (a) how much of that allocation was spent on the Logan Hospital expansion in 2025-26 to date and (b) how much has been allocated to be spent over the Forward Estimates (reported separately by financial year)?

ANSWER

The Crisafulli Government's Hospital Rescue Plan is an investment in the future of our health system, delivering more than 2,600 new beds right across metro, regional and rural Queensland. The Plan delivers a record \$18.5 billion investment – the biggest investment in health infrastructure in Queensland's history.

The Hospital Rescue Plan addresses the failures and oversights of the former government's Capacity Expansion Program, where not one project was able to be delivered in its announced timeframe or budget.

As of 30 November 2025, expenditure for the Logan Hospital Expansion (Stage 2) in 2025-26 is \$108.1 million. \$242 million has been allocated to 2025-26 and \$506 million forecast for future delivery.
