No. 1560

Asked on Thursday, 11 December 2025

**MR L MCCALLUM** ASKED THE MINISTER FOR HOUSING AND PUBLIC WORKS AND MINISTER FOR YOUTH (HON S O'CONNOR)—

QUESTION:

Will the Minister advise the number of social housing properties which have been sold between 1 November 2024 and 1 November 2025 (or closest reportable dates) (reported separately by state electorate)?

ANSWER:

Contrary to the claims of the Shadow Housing Minister that 1,000 social homes would be sold, during the period 1 November 2024 to 1 November 2025 the department divested 12 properties throughout the state in the following electorates:

<b>Electorate</b>	<b>Number of properties divested</b>
Bundamba	2
Cairns	1
Callide	1
Cook	1
Ferny Grove	1
Gregory	1
Inala	2
Ipswich West	1
Redcliffe	1
Traeger	1

Of the 12 divested properties:

- 8 properties were divested to existing households under the department's Sales to Tenants program
- 2 properties were sold to the Department of Education for infrastructure expansion of a state school
- 1 property was sold to a family member of a First Nations social housing tenant
- 1 property was a strategic asset management divestment in response to long-term neighbourhood fatigue issues.
