Asked on 11 December 2025

Hon. M de Brenni asked Premier and Minister for Veterans (Hon. D Crisafulli)—

QUESTION:

Will the Premier advise since 1 November 2024 to the date of this question (a) how many expenditure claims from ministerial offices have been rejected or not processed by the Ministerial Services Branch due to non-compliance and (b) list the offices which submitted non-compliant expenditure forms?

ANSWER:

I am advised by the Department of the Premier and Cabinet that the information requested is not maintained as a matter of course and it would require significant manual intervention to extract these numbers from the existing records.
