

Question on Notice

No. 1588

Asked on 11 December 2025

MR J SULLIVAN ASKED THE MINISTER FOR EDUCATION AND THE ARTS (HON J LANGBROEK)—

QUESTION:

Will the Minister commit to funding to expand air conditioning for schools for shared spaces (particularly school halls), specifically in schools in the Stafford Electorate, including older established schools like Stafford State School, Stafford Heights State School and Kedron State School?

ANSWER:

I am advised:

Every classroom, staffroom and library across Queensland's 1,266 state schools is air conditioned.

The Department of Education does not have any plans to fund the installation of air conditioning in spaces that are ineligible under the department's air conditioning guidelines, which have been in place since 2019.
