MS JESSICA PUGH ASKED MINISTER FOR HEALTH AND AMBULANCE SERVICES (HON T NICHOLLS)—

QUESTION

Will the Minister advise the treatment or services patients on the elective surgery waitlist are waiting to access, in table format (reported separately by HHS and category)?

ANSWER

Queensland Health publishes quarterly performance data, including data about elective surgery waitlists, online at www.performance.health.qld.gov.au/statewide-performance/planned-care/planned-surgery-activity. Surgeries are classified into groups known as 'specialties' according to the area of the body being treated or the branch of medicine that a surgeon specialises in.

The elective surgery waitlist is publicly reported on the Our Performance website by speciality, statewide and for each hospital and health service at www.performance.health.qld.gov.au/view-performance-by-hhs.
