MR J KELLY ASKED MINISTER FOR HEALTH AND AMBULANCE SERVICES (HON T NICHOLLS)—

QUESTION

Will the Minister advise the number of elective surgeries performed at The Princess Alexandra Hospital from October 2024 to February 2025 (in table format, reported separately by month and category)?

ANSWER

Elective surgery activity and performance data is reported publicly on the Queensland Health Our Performance website, at www.performance.health.qld.gov.au.

Data, including the number of people on the waiting list, the number of elective surgeries performed, and waiting time are reported in table format, separately by month and urgency category. This information is available as a statewide figure, and for each hospital and health service, and for each reporting facility.
