**Asked on 14 March 2025**

**MS J PEASE** ASKED MINISTER FOR HEALTH AND AMBULANCE SERVICES (HON T NICHOLLS)—

### **QUESTION**

Will the Minister advise the average wait times for elective surgeries at Queen Elizabeth II Jubilee Hospital from October 2024 to February 2025 (in table format, reported separately by month and category)?

### **ANSWER**

Elective surgery activity and performance data is reported publicly on the Queensland Health Our Performance website, at [www.performance.health.qld.gov.au](http://www.performance.health.qld.gov.au).

Data, including the number of people on the waiting list, the number of elective surgeries performed, and waiting time are reported in table format, separately by month and urgency category. This information is available as a statewide figure, and for each hospital and health service, and for each reporting facility.
