MS C MCMILLAN ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON B MICKELBERG)—

QUESTION:

With reference to the LNP's election commitment to build a Prebble Street (Rochedale) bikeway—

Will the Minister advise if the government remains committed to the project, and if so (a) the total cost of the project, including a breakdown between State Government and Brisbane City Council funding, (b) forecast project start date and (c) forecast project completion date?

ANSWER:

I thank the Member for the question.

The Crisafulli Government has committed \$5.6 million to support Brisbane City Council (BCC) in their construction of the bikeway, for which council is currently developing the detailed design. Given the design phase is progressing, additional details and milestones are yet to be confirmed, including the total cost and BCC's funding contribution.

The Crisafulli Government will honour all of its election commitments.
