MR T SMITH ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON B MICKELBERG)—

QUESTION:

Will the Minister advise the approximate additional fare revenue raised from compliance and enforcement activities for the last three years (in table format, reported separately by year and region)?

ANSWER:

I thank the Member for the question.

Due to processes in place under the former government, I advise the Member that potential revenue lost (or “additional fare revenue raised”) as a result of compliance and enforcement activities is not measured independently of other fare income.
