

**Question on Notice**  
**No. 31**  
**Asked on 18 February 2025**

**Ms J Pease** asked Premier and Minister for Veterans (Hon. D Crisafulli)—

QUESTION:

Will the Premier advise when Wynnum Community Place will receive the \$500,000 funding committed during the election in 2024?

ANSWER:

Wynnum Community Place provides support to the homeless and those under pressure due to Queensland's cost of living crisis. Due to a lack of previous funding, Wynnum Community Place temporarily closed in late 2024.

In response to the lack of previous funding, the Crisafulli Government committed \$500,000 to ensure Wynnum Community Place could reopen to the community.

I am advised that officers from the Department of Families, Seniors, Disability Services and Child Safety have already met with staff from Wynnum Community Place to discuss the funding and are working with the organisation to ensure all the necessary steps are undertaken to enable the organisation to provide the intended services. Funding will be allocated once these steps are finalised and a contract is completed.
