MR T SMITH ASKED MINISTER FOR HEALTH AND AMBULANCE SERVICES (HON T NICHOLLS)—

QUESTION

With reference to the New Bundaberg Hospital Project—

Will the Minister advise (a) the date of the last client meeting between the current head contractor and Queensland Health (including Health Infrastructure Queensland and Wide Bay Hospital and Health Service) and (b) the dates and amounts of progress payments made to the head contractor since commencement of the project?

ANSWER

I can advise the Member that Queensland Health officials regularly meet and communicate with relevant contractors as part of health infrastructure project management. I can also advise the Member that the amount and timings of progress payments are made in accordance with the milestones and agreements between Queensland Health and relevant contractors. To provide minute information about meeting dates and times and invoicing would be an unreasonable diversion of resources and subject to commercial-in-confidence considerations.
