Asked on 29 April 2025

MR S KING asked the Minister for Families, Seniors and Disability Services and the Minister for Child Safety and the Prevention of Domestic and Family Violence (HON A CAMM)—

QUESTION

With reference to the LNP's election commitment for expanded services at Moreton Bay Meals on Wheels-

Will the Minister advise if the government intends to deliver on this commitment, and if so (a) the total forecast funding to be provided and (b) when the funding will be provided to the organisation?

ANSWER

After a decade of chaos and crisis, the Crisafulli Government is delivering on its promise of a fresh start for Queensland.

We are doing what we said we would and honouring each of our commitments to Queenslanders. My department has been working closely with Moreton Bay Meals on Wheels and I am pleased to advise that the committed \$300,000 funding increase will be provided to the organisation across four years, commencing from 1 July 2025.

This additional funding for Moreton Bay Meals on Wheels will support vulnerable people who are at risk of food insecurity following years of inaction as Queensland's cost of living crisis worsened.
