MS W BOURNE ASKED MINISTER FOR YOUTH JUSTICE AND VICTIM SUPPORT AND MINISTER FOR CORRECTIVE SERVICES (HON L GERBER)

QUESTION:

Will the Minister advise (in table format, reported separately by order/penalty and most recent annual cohort), for each of the following orders/penalties the number of young people subject to (a) restorative justice presentence referrals, (b) restorative justice orders, (c) community service orders, (d) supervised release orders, (e) probation orders, (f) graffiti removal orders, (g) conditional release orders, (f) intensive supervision orders, (g) detention orders, (h) reprimands, (i) good behaviour orders, (j) fines, (k) drug assessment and education orders, (i) restitution and compensation orders and (m) licence disqualification orders?

ANSWER:

The Crisafulli Government is committed to using every avenue to stop the youth crime crisis to ensure Queenslanders are safe and at-risk youths are provided the best opportunities to reform their behaviour.

The figures contained in Table 1 contain the number of distinct young people who had an order made for one of the listed order types between 1 October 2023 and 26 September 2024.

Table 1. Number of distinct young people admitted to each order type between 1 October 2023 to 26 September 2024

Order type	Number of young people
Restorative justice presentence referrals	29
Restorative justice	368
Community service	293
Supervised release	235
Probation	1,172
Graffiti removal	65
Conditional release	264
Intensive supervision	4
Detention	272
Reprimand	1,803
Good behaviour	498
Fine	23
Drug assessment and education	33
Restitution and compensation	18
Licence disqualification	218
Total number of distinct young people admitted to an order	2,610

The same young person may have received more than one type of order during the period and therefore a young person may be counted in more than one order type. This means the sum of young people receiving each order type will be greater than the total number of distinct young people who had an order made in the period.
