Ms S Bolton asked Premier and Minister for Veterans (Hon. D Crisafulli)—

QUESTION:

With reference to South Australia passing new political donation laws and banning unsolicited robocalls—

Will the Premier advise if the Queensland Government will initiate an independent inquiry into adopting similar laws and remove conflicts of interest from Queensland elections?

ANSWER:

The Government recognises the ongoing importance of ensuring that Queensland's electoral laws are fit for purpose and promote confidence in the integrity of electoral processes.

While developments in electoral laws across Australia are being monitored, the Government has no plan for an independent inquiry into such matters at this stage.
