MR P RUSSO ASKED MINISTER FOR TRANSPORT AND MAIN ROADS (HON B MICKELBERG)—

QUESTION:

Will the Minister advise what progress has been made to prioritise community and motorist safety at the Miles Platting, Logan and Padstow Roads intersection at Eight Mile Plains?

ANSWER:

I thank the Member for the question.

The Department of Transport and Main Roads is progressing planning at the Miles Platting, Logan and Padstow Roads intersection under the funding allocated in the 2024 State Budget under the former Labor Government.

This funding was required as a result of inaction following planning reviews undertaken in 2009, 2014 and 2021.

When the former Labor Government came to power in 2015, community consultation on a proposed major upgrade of the intersection had been completed. However, in the subsequent almost 10 years, the planned upgrades were not implemented.
