No. 545

Asked on Wednesday, 21 May 2025

MR S KING ASKED THE MINISTER FOR HOUSING AND PUBLIC WORKS AND MINISTER FOR YOUTH (HON S O’CONNOR)—

QUESTION:

With reference to the Modern Methods of Construction (MMC) Program—

Will the Minister advise the current delivery pipeline for homes under the MMC Program, including (a) the number of homes completed, (b) the number of homes currently under construction and (c) the number of homes no longer proceeding?

ANSWER:

As at May 2025:

- 274 homes have been delivered
- 145 homes are under construction
- 197 homes are under design
- 258 homes are going through active procurement processes.

All homes within the current delivery pipeline are proceeding, and as the Crisafulli Government ramps up and secures Queensland’s housing pipeline, MMC will form an important part of this unprecedented growth in social and community housing delivery.
