MRS M NIGHTINGALE ASKED MINISTER FOR YOUTH JUSTICE AND VICTIM SUPPORT AND MINISTER FOR CORRECTIVE SERVICES (HON L GERBER)—

QUESTION:

Will the Minister advise on the number of GPS monitoring devices issued to offenders (including adults on parole, youth on bail and serious sexual offenders/DPSOs) granted bail since 2018 (in table format, reported separately by offence)?

ANSWER:

Queensland Corrective Services does not provide electronic monitoring for adults who have been granted bail.

The following table reports the number of electronic monitoring devices (EMD) issued, reported separately by offence for which youth were granted bail. An EMD may have been issued in relation to more than one offence at any one time. The following table reports the offences for which youth received bail with an EMD condition.
