HON S MILES ASKED MINISTER FOR HEALTH AND AMBULANCE SERVICES
(HON T NICHOLLS)—

QUESTION

Will the Minister advise (in table format, i.e. using columns and rows, with each row relating to a Hospital and Health Service and two associated columns related to number of beds and bed alternatives), the number of beds and bed alternatives by Hospital and Health Service as at (a) the end of September 2024 and (b) the end of December 2024?

ANSWER

I thank the Member for the question. It is unclear if the Member's question includes beds and bed alternatives that Queensland Health and/or Hospital and Health Services contract from private hospitals for public patients. I invite the Member to clarify the request in order to provide an accurate response to the question.
