No. 609

Asked on 10 June 2025

HON C DICK asked the Deputy Premier, Minister for State Development, Infrastructure and Planning and Minister for Industrial Relations (**HON J BLEIJIE**) –

QUESTION:

With reference to Priority Action 4 of the ShapingSEQ 2023 Update committing the Queensland Government to establish a Regional Industrial Land Framework in partnership with local governments, to monitor supply, project demand, and address the increasing regional pressure for industrial land across South East Queensland—

Will the Deputy Premier advise (a) whether the Regional Industrial Land Framework is still being progressed under the current government, (b) the month or quarter of 2025 this framework is expected to be delivered and (c) if a specific month cannot be provided, what is the indicative timeframe for delivery?

ANSWER:

The Crisafulli Government is developing new regional plans which cover every corner of the State, in conjunction with infrastructure plans that protect the lifestyle of our communities and appropriately cater for growth. All Priority Actions within ShapingSEQ 2023 will be considered as part of the ShapingSEQ update.
