MR C WHITING ASKED MINISTER FOR HEALTH AND AMBULANCE SERVICES (HON T NICHOLLS)—

QUESTION

Will the Minister (a) list the meetings between Mr Sam Sangster, author of the review of Queensland Health's Capacity Expansion Program, and any Queensland Health entity, including HIQ and Metro North, since the release of the review on 23 April 2025, (b) the subject of any such meeting, and (c) the dates of any such meetings.

ANSWER

I can advise the Member that Mr Sangster has been appointed as the Hospital Rescue Plan Implementation Lead, responsible for implementing the 42 recommendations from the Capacity Expansion Program Independent Review Report, approved by the Queensland Government.

I am advised Mr Sangster meets regularly with key stakeholders, including Queensland Health officials as part of his role. To provide detailed information about meetings, dates and times would be an unreasonable diversion of resources.
