HON M BAILEY ASKED MINISTER FOR HEALTH AND AMBULANCE SERVICES
(HON T NICHOLLS)—

QUESTION

Will the Minister advise the attrition rate in Queensland Health in the current financial year to date for (a) nurses and (b) doctors?

ANSWER

I am advised that as at pay period ending 8 June 2025, the annualised year-to-year attrition rate for the 2024-25 financial year has seen a significant improvement from the high rates of attrition experienced in recent years.

I am advised that for Nursing and Midwifery, attrition is at 3.94 per cent, which is lower than nine of the past 10 years. For Medical, attrition is at 2.77 per cent, which is the lowest rate of attrition in the past 10 years.
