HON M DE BRENNI ASKED MINISTER FOR TRANSPORT AND MAIN ROADS
(HON B MICKELBERG)—

QUESTION:

Will the Minister advise if the Government supports the expansion of the M1 and South East Busway to Loganholme?

ANSWER:

I thank the Member for the question.

The Pacific Motorway (M1) - Daisy Hill to Logan Motorway upgrade business case, which included consideration of extending the busway, was completed in June 2023. I note that despite this, no work was undertaken by the former Labor Government to proceed to design or construction stages.

This project is currently in business case review, in response to the outcomes of the Australian Government's Independent Strategic Review of the Australian Government's *Infrastructure Investment Program* undertaken by the Albanese Labor Government, noting a significant potential cost blowout.

The Crisafulli Government supports delivering projects on time and within their allocated budget and delivering on our election commitments.
