HON D FARMER ASKED THE MINISTER FOR EDUCATION AND THE ARTS (HON J LANGBROEK)—

QUESTION:

Will the Minister advise when the government's response to the recommendations of the Home Education Expert Group, which continues to meet, will be tabled?

ANSWER:

I am advised:

In September 2024, Ms Deborah Dunstone, as an independent reviewer, delivered the Final Report of the *Queensland Home Education Unit Review* (the review final report).

The review final report was informed by extensive stakeholder consultation, including input from the Home Education Expert Group—or HEEG—which, at the time of the review, included 12 home education parents and three sector representatives.

I can advise the Member that a response to the review final report, and any changes to home education regulation, is under consideration by the Crisafulli Government as part of our commitment to high-quality education for all children and young people in Queensland.
