From 1 July 2025, the customer services arm of the Department of Transport and Main Roads, which is responsible for the provision of this key function, was transferred to the Department of Customer Services, Open Data and Small and Family Business.

As such, this question would now fall within the ministerial portfolio of the Minister for Customer Services and Open Data and Minister for Small and Family Business. Therefore, future questions of this nature should be referred to the Minister for Customer Services and Open Data and Minister for Small and Family Business.
