ANSWER:

I thank the Member for the question.

I am advised that, on 2 July 2025, the Department of Transport and Main Roads discussed this matter with Moreton Bay City Council (MBCC). MBCC has contacted the manager of the private property where the sign is located to arrange for the roadside advertising device to be removed. I trust this addresses the matter and suggest that any further enquiries about compliance in relation to this sign should be referred to MBCC.
