Notes:

1. This data is preliminary and may be subject to change.
2. Figures do not represent a unique person count as a person may be the victim of more than one offence in the period.
3. This data relates to robbery offences only.
4. Rates are expressed per 100,000 persons and are calculated based on the estimated residential population as at 30 June of each year.
5. Queensland figures includes locations that cannot be attributed to a particular district. As a result, the sum of all districts may not equal the Queensland figures.
