MS S BOLTON ASKED MINISTER FOR THE ENVIRONMENT AND TOURISM AND MINISTER FOR SCIENCE AND INNOVATION (HON A POWELL)—

QUESTION:

With reference to the release of Destination 2045—

Will the Minister advise what will be implemented to manage and reduce the impacts on overwhelmed natural environments and tourism hotspots to ensure sustainable and regenerative tourism into the future?

ANSWER:

The Crisafulli Government is dedicated to preserving Queensland's pristine natural environment and responsibly sharing it with the world.

That is why our 20-year tourism plan, *Destination 2045: Delivering Queensland's Tourism Future*, aims to unlock low-impact, high-value ecotourism and regenerative tourism opportunities.

Every single ecotourism project must go through the required environmental assessments.
