MS J HOWARD ASKED THE MINISTER FOR HOUSING AND PUBLIC WORKS AND MINISTER FOR YOUTH (HON S O'CONNOR)—

QUESTION:

Will the Minister provide a list of all programs (under their previous and new names) that contribute to the reference of \$5.6B investment in new social and community housing initiatives in the Treasurer's budget speech?

ANSWER:

The \$5.6 billion over the period of 2025-26 to 2028-29 is the Crisafulli Government's investment to deliver and upgrade social and community housing as part of the *Queensland Housing Investment Pipeline*.

The *Queensland Housing Investment Pipeline* (QHIP) represents a new approach to capital delivery with \$500 million per year locked in from 2029-30 onwards in addition to the \$5.6 billion over the next four years to provide stability and certainty beyond political cycles.

QHIP will include a new 'always-on' procurement pathway to assess and fund community housing proposals year-round rather than through ad-hoc processes previously delivered through previous programs such as the Housing Investment Fund and QuickStarts Qld. This is expected to open within the coming months.
