

Question on Notice
No. 780
Asked on 25 June 2025

MR S KING ASKED THE MINISTER FOR EDUCATION AND THE ARTS (HON J LANGBROEK)—

QUESTION:

Will the Minister advise which schools are receiving funding to provide school breakfast programs (or similar programs, if named differently) in the 2024-25 and 2025-26 financial years (reported separately by school and financial year)?

ANSWER:

I am advised:

Schools that received funding for a school food program in the 2024–25 financial year are listed at **Attachment 1**.

In 2025–26, a further \$11.4 million has been allocated for the continuation of government school food programs, with:

- \$10.9 million to be distributed to schools; and
- \$0.5 million as grants to non-government organisations to continue to deliver food and drink programs in state schools.

The Department of Education is currently considering options to determine the process for allocating funding for food programs in state schools in the 2025–26 financial year.
