MR J MARTIN ASKED MINISTER FOR POLICE AND EMERGENCY SERVICES (HON D PURDIE)—

QUESTION:

Will the Minister confirm that the following police infrastructure projects listed in the 2024-25 Budget Paper 3 are not listed in the 2025-26 Budget Paper 3, and if not, why not for (a) Bundaberg Police Facility Upgrade, (b) Cunnamulla Replacement Police Facility, (c) Hervey Bay Replacement Water Police Facility, (d) Longreach Replacement Police Facility, (e) Rainbow Beach Replacement Police Facility and (f) Winton Replacement Police Facility?

ANSWER:

I am advised by the Queensland Police Service that the 2025-2026 Budget Paper 3 does not list Bundaberg Police Facility Upgrade, Cunnamulla Replacement Police Facility, Hervey Bay Replacement Water Police Facility, Longreach Replacement Police Facility, Rainbow Beach Replacement Police Facility and Winton Replacement Police Facility projects, which have been rescheduled to post forward estimates.

I am further advised the QPS revised their forward demand in the Wide Bay Burnett District and to address demand due to growth in the area and proposed a portion of the \$20M allocated in the 2024-25 Budget Paper 3 for the Bundaberg Facility be reallocated to fund the replacement Bargara Police Facility. This is a further demonstration of the Crisafulli Government's determination to heed the advice of our police. \$500,000 has been allocated in 2025-26 to continue planning works on the Bundaberg Police Facility upgrade.

Funding is also allocated to acquire land for a replacement facility at Rainbow Beach in 2025-26.
