MRS M NIGHTINGALE asked the Deputy Premier, Minister for State Development, Infrastructure and Planning and Minister for Industrial Relations (HON J BLEIJIE) –

QUESTION:

Will the Deputy Premier advise how many visits Workplace Health and Safety Queensland inspectors have undertaken, (reported separately by month), for the 2024-25 financial year and categorised by the nature of the visit e.g. proactive visits, inspections following an incident and visits at the request of a stakeholder?

ANSWER:

Workplace Health and Safety Queensland inspector site visits for 2024-25 are as follows:

July 2024	1,062	1,398
August 2024	1,148	1,194
September 2024	1,186	1,057
October 2024	1,019	1,241
November 2024	817	1,065
