

Question on Notice

No. 988

Asked on 28 August 2025

MR J KELLY ASKED MINISTER FOR HEALTH AND AMBULANCE SERVICES (HON T NICHOLLS)—

QUESTION

Will the Minister advise on the number of domestic and family violence incidents which the Queensland Ambulance Service attended from 1 January 2025 to date (in table format, reported separately by region/district)?

ANSWER

I am advised the Queensland Ambulance Service is unable to provide the data requested as call out records do not always capture the cause of injuries or medical condition being treated. Rather, records capture the clinical details related to the injury or medical condition, including what treatment was provided.
