HON M DE BRENNI asked the Minister for Primary Industries (HON A PERRETT)—

QUESTION:

Will the Minister outline what work the Department of Primary Industries is currently doing to assist in equipping farmers with the necessary tools to negotiate with renewable energy companies for land use and rent agreements?

ANSWER:

I thank the Member for the question.

The Department of Primary Industries is not the lead agency responsible for initiatives aimed at supporting farmers in negotiating land use and rental agreements with renewable energy companies.
