

**Question on Notice**

**No. 104**

**Asked on 12 February 2026**

**MR T SMITH** asked the Minister for Primary Industries (HON A PERRETT)—

**QUESTION:**

With reference to the Queensland Future Timber Plan—

Will the Minister advise (a) what was the average percentage of Native Timber that was selectively harvested in the last year, to the latest reportable date and (b) under the new Queensland Future Timber Plan, will this rate be increased, and to how much?

**ANSWER:**

The question is a duplicate of Question on Notice No. 1461 which the Member asked on 20 November 2025.

The response remains the same.
