HON M DE BRENNI ASKED THE MINISTER FOR HOUSING AND PUBLIC WORKS AND MINISTER FOR YOUTH (HON S O'CONNOR)—

QUESTION:

Will the Minister advise for the period from 1 November 2024 to 31 December 2025 (or nearest reporting period), the total number of affordable homes funded under the Housing Investment Fund (HIF) that were (a) under construction, (b) contracted and (c) purchased?

ANSWER:

After a decade where housing supply did not keep pace with demand, the Crisafulli Government is prioritising the delivery of more homes. The Government made a clear election commitment to not use the Housing Investment Fund to purchase existing housing stock, as the former Labor government had, and to instead put every remaining dollar into the construction of new homes.

Since the Crisafulli Government was elected, from 1 November 2024 to 31 December 2025, through the Housing Investment Fund:

- (a) 1,159 new homes started construction
- (b) 700 new homes were contracted for delivery
- (c) 0 existing homes were purchased.
