MS S BOLTON ASKED MINISTER FOR LOCAL GOVERNMENT AND WATER AND MINISTER FOR FIRE, DISASTER RECOVERY AND VOLUNTEERS (HON A LEAHY)

With reference to commitments given by the government on 13 October 2024 via media release and 21 July 2026 during estimates hearing that the Mary Valley will not be used for a new dam or other significant water infrastructure—

Will the Minister (a) provide an update on the review of the statewide water security plan, (b) advise the current status of existing water recycling and desalination projects and (c) advise whether indicated approvals of data centres will require any reconsideration of planned water infrastructure?
