Question on Notice

No. 1132

Asked on Tuesday, 13 October 2026

MR M DE BRENNI ASKED MINISTER FOR THE ENVIRONMENT AND TOURISM AND MINISTER FOR SCIENCE AND INNOVATION (HON A POWELL)

QUESTION:

Will the Minister advise when any tangible outcomes of the joint $225,000 taxpayer-funded Stage Two Koala Coast Ecotourism Trail funding initiative announced under the former Government, will be made publicly available?

ANSWER:

As previously advised in response to Question on Notice No. 634, the funding referred to by the Member is administered by the Minister for Sport and Racing and Minister for the Olympic and Paralympic Games.

As the Member has not specified what is meant by "tangible outcomes", it is unclear what specific information is being sought and therefore I am unable to provide a definitive response.

However, I am pleased to advise that the Member for Redlands continues to work with her advisory group to progress the Koala Coast Ecotourism Trail project, consistent with the Crisafulli Government's ambition to establish Queensland as a world-leading ecotourism destination through *Destination 2045: Delivering Queensland's Tourism Futur*e.
